

Permission to Treat

Updated March 2019

If my horse(s) is/are sick or hurt and I cannot be reached, please try to reach _____(another member).**[optional]** If it is then deemed that the animal(s) should be seen by a vet, a vet should be called. My vet (name) _____ at (phone) _____ should be called first since they know my horse(s). If he/she is not available, another vet (name) _____ at (phone) _____ should be called. If neither of these vets can be reached please call a vet at UT.

An attempt to contact me should be made again, while the vet is at the barn or following the visit, if possible. A message regarding the situation should be left on my phone for me.

I will accept all the charges that are incurred by the vet's visit to take care of my horse(s).

If, at any time, my horse is diagnosed as infectious, I, _____, _____
(member's signature) (date)
authorize my vet immediately after the diagnosis to tell the ETRC Health and Safety chair or a member of the board what is medically wrong with my horse and what care will be needed. If possible, a written notice should also be given

(member's printed name)

(member's signature)

(phone)

(date)

(horse #1)

(horse #2)

(horse #3)

(horse #4)

If it is decided that my horse should be put down, I would be willing to have this done without my presence. _____ yes _____ no

New Permission to Treat Forms must be signed yearly no later than January 31st beginning January 2020.
